20th January 2025

Dear Parents and Carers,

RE: School Governance

2024 has been a challenging yet very successful year for Reepham Primary School, with outcomes above National results yet again, an ever increasing range of opportunities (eg extra-curricular clubs and trips) for our children, and brilliant events organised by our Friends committee involving our whole community. Thank you for all your support!

As you already know, we have been working in partnership with Bawdeswell Primary School since 2021, and our schools are now very similar in most aspects from ethos, values and curriculum aims, to policies and processes; I am delighted and proud that this partnership is stronger than ever. Now we are moving into 2025, we are taking another step in the partnership of our Leadership Team, and our Local Governing Bodies are joining together to share their expertise for the benefit of both schools.

With this in mind, we are keen to make sure we have full representation from each school, and we currently have an opportunity for a Reepham Parent Governor to join our board and be part of the strategic leadership of our schools.

If you think you have some time to commit and the passion to help us to make our schools the best they can be, please fill out a quick form (attached to this email) to express your interest, and we will be in touch to discuss this voluntary role in more detail with you. The following link gives you a quick overview of the role too, or you can call us at school and ask any questions you might have.

Kind regards,

Catherine Ogle

Executive Headteacher.
